6. LION Support for increasing WLIP Funding via Real Estate Transfer Fee Discussion and possible action.

Nik Anderson spoke on potential increased funding and discussed the history. The preliminary draft is with bill authors. If funding increase is approved, WLIA will be reaching out, with guidance, on how organizations and individuals can supply verbal and/or written testimony of how groups would benefit from this. Senator Stafsholt will be authoring this. Staci Hoffman spoke on the status of the Register of Deeds with the proposed funding changes. Anderson mentioned that realtors want the Counties to have a Land Records Notification System in place by January 1, 2026, through this increased funding (six counties don't have this property fraud process).

7. State Agency Geospatial Information Committee (SAGIC) – updates

See 2-26-25 LIO Meeting Supplements.pdf. Zach Robinson (outgoing Vice-Chair of SAGIC) reported. There is a Statewide ESRI MPA to be finalized this year; reach out to Larry Cutforth with WI DNR for info. SAGIC meetings are monthly and available for anyone to call in or attend. deannexations require review. If your county has registered your REST feature service with LTSB, this data will be pulled the first day of collection. Make sure your REST login and data is up-to-date and you will not have to submit anything, it will be pulled automatically. Census bureau to announce 2030 redistricting program at the end of 2025.

9. Department of Administration (DOA) – updates

Peter Herreid spoke. Mike Friis in attendance also. Program updates were emailed. March 7, 2025 is deadline to submit parcel data for the statewide parcel map. Grant agreements are all submitted. Recording levels are low, with a slight uptick in the last 6 months. Strategic Initiative grants will remain at \$20,000 for 2026. For Judicial Privacy Act data, Peter recommended following the Land Records Website guidelines for law 757.07(4m); use the form created by Director of State Courts, which is not released yet.

10. Judicial Privacy (Act 235) - Adam Dorn Discussion

WLIA Task force with member of Adam Dorn, Fred Iausly, Jaime Martindale. Adam recommended using the Navigating Compliance Document on WLIA website for how to comply with the law. Worked with Attolles Law and PRIA Local. The form created by the Director of State Courts should be followed for online records. This form allows us to keep the addresses, but hide the names. Real Property Listers should have confidentiality agreements signed each time you share data. WCA has a draft of confidentiality agreement. Have your Corporation Counsel review this for your county.

See data in See 2-26-25 LIO Meeting Supplements.pdf

Legislative Task Force is working with committee and lead bill author to have modifications drafted. Managing this program will not be cost free; we as LIOs need to communicate this and directly relate it to the need for WLIP funding asks.

Nick Gamroth reviewed details on further trailer legislation. Working on bringing the Real Property Lister in line to the duties of the Assessor, regarding who has the right to create a parcel. Also creating a definition within a brand new statute, of a Building, a Fixture, or an Improvement, working with Attolles Law. Also create a tie for anything that needs to be created for a parcel, a B, F or I, that needs a full legal description. DOR is working to have pipelines and communication towers become state assessed in 2027.
